

FOREIGN CLAIMS SETTLEMENT COMMISSION
OF THE UNITED STATES
WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF

BARBARA L. MOORE
and
ABRAHAM MOORE

Claim No. CU -3753
Claim No. CU-3754

Decision No. CU 4174

Under the International Claims Settlement
Act of 1949, as amended

PROPOSED DECISION

Claimants, BARBARA L. MOORE and ABRAHAM MOORE, who owned stock interests in the Cia. Azucarera Vertientes-Camaguey de Cuba, assert a claim under Title V of the International Claims Settlement Act of 1949, as amended, against the Government of Cuba because of its nationalization of said Company.

In our decision entitled the Claim of Ruth Anna Haskew (Claim No. CU-0849 which we incorporate herein by reference), we held that the properties owned by the Company were nationalized or otherwise taken by the Government of Cuba on August 6, 1960, and that this type of claim is compensable to an American national under the facts and conditions set forth therein. We need not again detail here the reasons or the method used in determining the value per share of \$46.3946.

On the basis of evidence in the record in the instant case, the Commission finds that these claimants come within the terms of the Haskew decision; that they were American nationals at the requisite times; that BARBARA L. MOORE has been the owner of 400 shares of stock in the Cia. Azucarera Vertientes-Camaguey de Cuba since prior to August 6, 1960; and that she suffered a loss in the amount of \$18,557.84 within the meaning of Title V of the Act.

Section 504 of the Act provides, as to ownership of claims, that

(a) A claim shall not be considered under section 503(a) of this title unless the property on which the claim was based was owned wholly or partially, directly or indirectly by a national of the United States on the date

of the loss and if considered shall be considered only to the extent the claim has been held by one or more nationals of the United States continuously thereafter until the date of filing with the Commission.

Section 507 of the Act provides, as to assignment of claims, that

(b) The amount determined to be due on any claim of an assignee who acquires the same by purchase shall not exceed (or, in the case of any such acquisition subsequent to the date of the determination, shall not be deemed to have exceeded) the amount of the actual consideration paid by such assignee, or in case of successive assignments of a claim by any assignee.

Claim is also presented by BARBARA L. MOORE and ABRAHAM MOORE for additional stock issued by Vertientes-Camaguey Sugar Company.

On the basis of evidence of record, the Commission finds that these claimants jointly acquired Vertientes stock by purchase on the dates and for the consideration shown below:

<u>Number of Shares</u>	<u>Date of Purchase</u>	<u>Consideration</u>
450	August 31, 1965	\$ 298.28
350	September 16, 1965	232.03
200	October 7, 1965	132.65
300	October 26, 1965	198.75
200	October 31, 1966	132.50
150	November 9, 1966	99.38
50	December 6, 1966	33.13
<u>200</u>	December 16, 1966	<u>132.50</u>
1,900		\$1,259.22

Under the provisions of Section 504(a) of the Act, a claimant is required to establish that the claim for any loss has been continuously owned by a national or nationals of the United States from the date of loss to the date of filing with the Commission. The loss occurred on August 6, 1960. In similar cases, claimants have been unable to obtain information or evidence to establish the nationality of the owner of the securities on the date of loss, and to establish continuous United States ownership of the securities until the date on which claimant acquired them.

Evidence of record before the Commission discloses that securities of the type subject of this claim were almost entirely owned and traded by persons or firms having addresses in the United States. The Commission has considered whether an inference may be justified that the claimed

securities were continuously owned by a national or nationals of the United States from the date of loss to the date on which purchased by the claimants, and, in the absence of evidence to the contrary, has concluded that the securities were continuously so owned. (See Claim of the Executors of the Estate of Julius S. Wikler, Deceased, Claim No. CU-2571.)

The Commission finds that claimants, upon their purchases of the 1,900 shares, jointly succeeded to the losses sustained by the assignors of the claimed shares, and concludes that they jointly succeeded to and suffered a loss in the total amount of \$1,259.22 (the price they paid) as a result of the nationalization of the Company on August 6, 1960.

The Commission has decided that in certification of losses on claims determined pursuant to Title V of the International Claims Settlement Act of 1949, as amended, interest should be included at the rate of 6% per annum from the date of loss to the date of settlement. (See Claim of Lisle Corporation, Claim No. CU-0644.)

The Commission concludes, however, that the amount of loss sustained by claimants herein shall be increased by interest thereon at the rate of 6% per annum from the dates shown below, to the date on which provisions are made for the settlement thereof:

	<u>FROM</u>	<u>ON</u>
BARBARA L. MOORE:	August 6, 1960	\$18,557.84
BARBARA L. MOORE and ABRAHAM MOORE:	August 31, 1965	\$ 298.28
	September 16, 1965	232.03
	October 7, 1965	132.65
	October 26, 1965	198.75
	October 31, 1966	132.50
	November 9, 1966	99.38
	December 6, 1966	33.13
	December 16, 1966	132.50
